### Grocery Lines

Our aim - For you to find everything you will need to create your meal from the exotic to base items for any recipe.

#### Our moto

- If it tastes good
- It's not over priced
- It's one of if not the best in it's field
- We will stock it

#### Our lines - We choose for you from:

- NZ's best artisan producers with proven consistency and quality inspired products
- Imported products from the world's best producers offering quality and value for all cuisines and cultures.

Our importing partnership with the Mediterranean group enables our business to offer our clients with the world's best products and lower than expected prices.
